

## MIN-3007 – Urgent questions from Minister Twyford

Out of Scope

*What is the revised cost of Melling?*

*Is Melling included in the re-evaluation of Petone to Grenada or vice-versa?*

27 February 2019

Out of Scope

**What is the revised cost of Melling?**

The preferred option identified through the Indicative Business Case has an estimated cost range of \$120m-\$175m. These costs will continue to be reviewed and refined through the Detailed Business Case. These costs have not been made publicly available.

**Is Melling included in the re-evaluation of Petone to Grenada or vice-versa?**

These projects have been re-evaluated independently of one another.
