

Christmas holiday travel times

4 December 2017

The closedown times for overdimension loads are contained in the Land Transport Rule: Vehicle Dimensions and Mass 2016, **Section 6.20**.

In summary:

Category 1	No specific dates but a general requirement not to travel at times when there are unusually heavy traffic volumes.
Category 2	Must not travel between 23 December and 3 January inclusive. Also a general requirement not to travel at times when there are unusually heavy traffic volumes.
Category 3 and 4	Must not travel between 22 December and 5 January inclusive. Also a general requirement not to travel at times when there are unusually heavy traffic volumes.
