

NEW YEAR, NEW PROJECT. NCI OPEN DAY

The Northern Corridor Improvements (NCI) project has been approved to start construction next year on a new motorway connection, new lanes and motorway upgrades, an extension of the Northern Busway and over 7kms of new walking and cycling paths.

The size and scale of the project means construction on the North Shore will be staged over the next four years, and we'll be working alongside the community to try to minimise disruption and provide real-time travel info to keep everyone safe and moving.

Bring your family along to our open days to meet the team and find out more:

NCI Open Day

Saturday 9 December, 11-2pm
Life Church, 25 Arrenway Drive, Albany

Come along to enjoy a sausage sizzle, check out our machinery display and toys, find out more about the project and talk to us about available jobs.

You'll also find our team at the Meadowood Community House Christmas event:

Friday 8 December, 4.30pm-7pm
55 Meadowood Drive, Unsworth Heights
