

PUBLIC NOTICE

LONG TERM NIGHT TIME MOTORWAY CLOSURES

Please give yourself more time if travelling at night between late January - May 2018, and follow the sign-posted detours

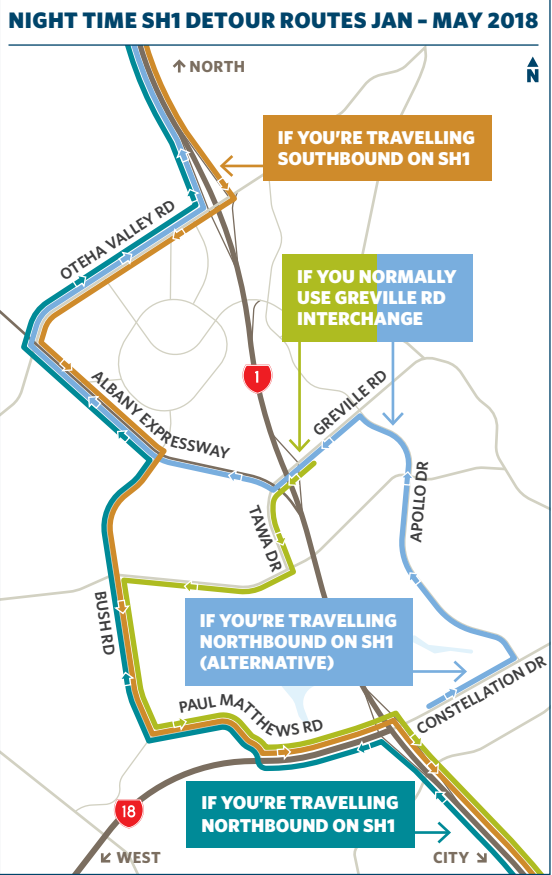

The Northern Motorway (SH1) will be closed between **Upper Harbour Highway/Constellation Drive interchange and Oteha Valley Road interchange**, every night (Sunday to Thursday only) between 9pm and 5am for the next four months.

The closures will enable our crews to resurface the motorway, paint new line markings and relocate the median barriers and overhead gantry boards, in advance of the Northern Corridor Improvements project - a new motorway connection, Northern Busway extension and walking and cycling project scheduled to start soon.

The work is being carried out at night to reduce disruptions and delays on the roads and motorway during the busiest parts of the day.

All vehicles will be directed along the same detour routes every night - making it easier and more familiar for people who travel regularly at night.

We thank you in advance for your support, and apologise for any inconvenience this work may cause.

For further information regarding this work or the NCI project please call **0800 624 776** email northerncorridor@nzta.govt.nz or check www.nzta.govt.nz/auckland-northern-corridor
