

# LOOK OUT FOR TRAFFIC TURNING CHANGES AT LOOKOUT POINT

Some permanent traffic turning changes marked in the diagram below take effect from **Monday 21 September 2015** on State Highway 1 (SH1) at Lookout Point in Dunedin.

These changes, which are part of the SH1 Caversham Valley Safety Improvement Project, are being made now to allow road layout work to be carried out, including installing traffic lane separating median barriers.

The SH1 Caversham Valley Safety Improvement Project is scheduled to open in late November 2015.

## TRAFFIC TURNING CHANGES YOU NEED TO BE AWARE OF

### MORNINGTON ROAD

- ✗ No right turns to or from the southbound (uphill) traffic lanes
- ✓ You can make left turns to and from the northbound (downhill) traffic lanes

Temporary pedestrian and cycling routes around the new Lookout Point Bridge work site are clearly marked.
