MANUKAU  
HARBOUR CROSSING

# BRIDGE WALK OPEN DAY

Sunday, 25th July from 10am-2pm

The NZ Transport Agency and  
Manukau Harbour Crossing Alliance invite you to

## BE ONE OF THE FEW TO WALK OVER the NEW MANGERE BRIDGE

before it opens to traffic at the end of the month.

The new SH20 Manukau Harbour Crossing, built next to the existing Mangere Bridge, widens the Southwestern Motorway (SH20) to three lanes in each direction, plus a bus shoulder and an auxiliary lane. The upgraded motorway will be finished by 31 August 2010, seven months ahead of schedule!

Come along and learn more about the project at this free community event. Entertainment will be provided and food and drink from local suppliers will be available to buy.

*Don't forget your  
walking shoes!*

**FREE  
EVENT**

for the whole  
family!

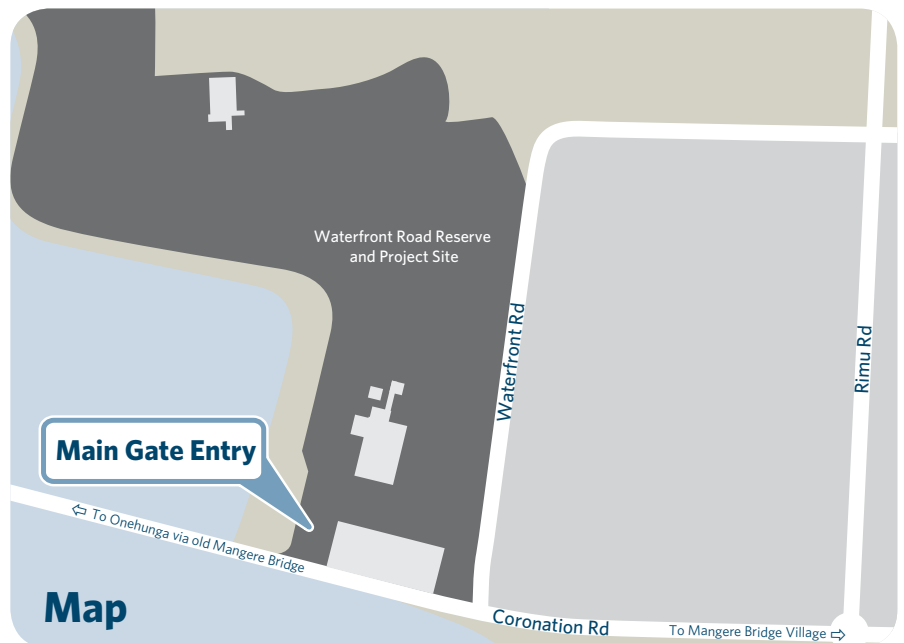

### Access details & information

Entrance on to the site is only via the project office at Waterfront Road Reserve, Mangere Bridge. See map (right).

The walk across the bridge is around two kilometres long so sensible footwear, warm clothing and a reasonable fitness level is required.

Last admission onto the bridge for walkers will be at 1:30pm.

The site is still a construction zone, so you may struggle with pushchairs.

### Cyclists

A cyclists only time of between 2:30pm and 3:00pm will enable cyclists to access the bridge. Unfortunately, access for cyclists prior to this time will not be possible.

### Getting there

Parking is limited to local roads so we encourage you to walk to the open day or alternatively carpool or take a bus to avoid delays. People coming from the Onehunga side can walk to the open day across the old Mangere Bridge. There will be a crossing facility opposite The Landing to help pedestrians across Onehunga Harbour Road. Bus services include the 305, 328, 334, 348 and 354. Check out the bus timetable at [www.maxx.co.nz](http://www.maxx.co.nz) or call them on 0800 10 30 80 for more information.

## We hope you can join us!
