

Summary process for disposal of surplus Crown-owned land¹

1 Disclaimer: This summary process depicts the high level steps for the disposal of Crown-owned land and is not intended as a complete description of the process

2 'Land of potential interest' - criteria are those set out in the Overseas Investment Act 2005 and also includes, for example, wetlands or known archaeological sites

3 Includes consultation with government departments (and Historical Places Trust) followed by a Ministerial determination of any appropriate protection mechanisms
