Dear Amy

Request made under the Official Information Act 1982

Thank you for your email received 30 November 2012, requesting information concerning driver testing, under the Official Information Act 1982.

As advised in our first email response of 16 January 2013, please find the additional information for your request below.

7. Are there disciplinary actions if a tester receives too many complaints? Have any of these testers faced disciplinary action?

Testing Officer	Duration of Performance Management	Currently Testing
1	November 2010 – April 2011 June 2011 – August 2011	No
9	May 2011 – August 2011	Yes
15	November 2010 – April 2011	No

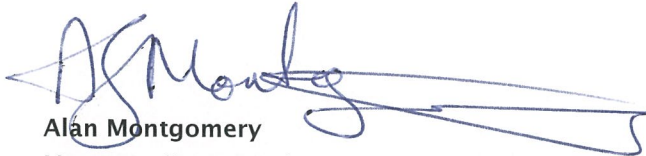

Please note:

The above numbers correspond with the unique key provided in the tables in our previous response and do not equate to the number of Testing Officers this affects. Therefore, the above table displays a total of 3 Testing Officers that were performance managed between 27 February 2011 and 30 November 2011, or 27 February 2012 and 30 November 2012.

I am informed by NZ Driver licensing that the two Testing Officers that are no longer conducting practical driving tests, left for reasons unrelated to performance management.

Thank you again for writing. If you would like to discuss this reply with the NZ Transport Agency, please contact Andrew Knackstedt, by email at Andrew.Knackstedt@nzta.govt.nz or by phone on 04 894 6285.

Yours sincerely
