Dear Bevan

**Request made under the Official Information Act 1982**

Thank you for your emails of 7 and 9 May requesting the following information under the Official Information Act 1982:

- 'raw data' from 'an interagency research project look[ing] at the rates of unlicensed drivers in the Auckland suburb of Mangere involving ACC, NZTA and the police.'

Following a telephone conversation on Wednesday 4 June it was clarified that the 'raw data' you were interested in was contained in a report written by Synergia Ltd for ACC and Auckland Transport.

The following document falls within the scope of your request and is attached:

- *Young Driver Research, Mangere. Report for ACC and Auckland Transport*, 5 July 2013, by Adrian Field and Gerardene Waldron for Synergia Ltd. This is a report of qualitative research which aimed to develop an understanding of the social norms around driving, particularly young drivers driving unlicensed or in breach of their learners or restricted license, in Mangere.

Please be aware that this response will be published on the NZ Transport Agency website within 48 hours of you receiving it.

If you would like to discuss this reply, please contact me at [Andrew.Knackstedt@nzta.govt.nz](mailto:Andrew.Knackstedt@nzta.govt.nz) or on (04) 894 6285.

Yours sincerely
