Dear Holly

Speed Management Plan certification

Thank you for submitting the Central Otago District Council Speed Management Plan (the Plan) for certification under the Land Transport Rule: Setting of Speed Limits 2022 (the Rule).

As you are aware the Minister of Transport has announced that a new Speed Rule will be introduced by the end of this year, and the draft Rule has been consulted on. You have confirmed your desire to proceed with certification under the current Rule.

As Director of Land Transport, I certify the Plan and issue the enclosed Certificate. Both the Plan and Certificate will be published online at: www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/

If you have any questions, please do not hesitate to get in contact with Karina Morrow (Manager Regulatory Technical, Te Rōpū Waeture - Regulatory) (karina.morrow@nzta.govt.nz).

Yours sincerely

Brent Alderton
Director of Land Transport

Speed management plan certificate

Pursuant to clause 3.5 of the Setting of Speed Limits Rule 2022, the territorial authority speed management plan, reference 'Central Otago District Council Speed Management Plan, 2024', submitted by Central Otago District Council and applicable to the 2024–2027 National Land Transport Programme period, is hereby certified.
