Dear Shawn

### **Interim Speed Management Plan certification**

Thank you for submitting the Northland Transportation Alliance Interim Speed Management Plan for Whangarei Heads (the Plan) for certification under the Land Transport Rule: Setting of Speed Limits 2022 (the Rule).

As Director of Land Transport, I am pleased to certify the Plan and issue the enclosed Certificate. Both the Plan and Certificate will be published online at:  
[www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/](http://www.nzta.govt.nz/safety/partners/speed-and-infrastructure/safe-and-appropriate-speed-limits/speed-limit-approvals/)

I commend Northland Transportation Alliance for:

- designating all schools in the Whangarei Heads catchment as Category 1; with 30 km/h permanent speed limits generally and one 30 km/h variable speed limit; and
- addressing requirements for maximum speed limits around schools in advance of statutory deadlines.

If you have any questions, please do not hesitate to get in contact with Karina Morrow (Manager Regulatory Technical, Te Rōpū Waeture - Regulatory Services) ([karina.morrow@nzta.govt.nz](mailto:karina.morrow@nzta.govt.nz)).

Yours sincerely

Brent Alderton  
Director of Land Transport
