

Airport to CBD National Cycle Trail

This project involves the signposting of a 33km section of the New Zealand Cycle Trail between Auckland Airport and the CBD.

The route will follow existing and planned sections of the Auckland cycle network and will include some minor infrastructure improvements.

Benefits: Signposting is expected to increase the number of cyclists using the route and contribute to improving our reputation as a cycle tourism destination.

Total estimated construction cost:
\$0.25 million

Urban Cycleways Fund share
\$0.125 million

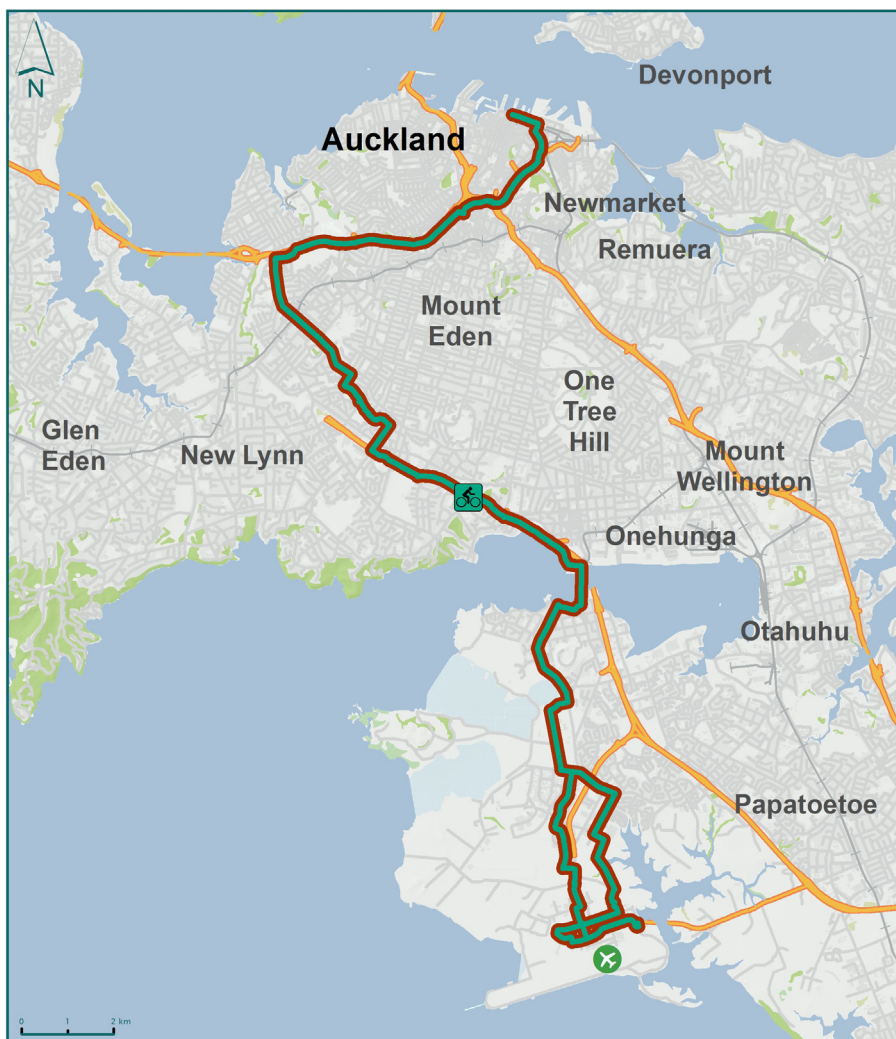

NLTF \$0.125 million

Target start date:

March 2015

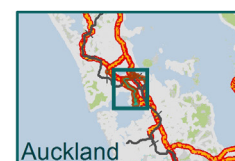

Target completion date:

May 2015

Airport to CBD National Cycle Trail

 Urban Cycleway Funded Project
