

WARKWORTH TO WELLSFORD

PUBLIC INFORMATION DAYS

The NZ Transport Agency, on behalf of the NZ Government, is seeking community feedback for the Warkworth to Wellsford project.

Five public information days are being held in February to present the Indicative Route of the second stage of the Ara Tūhono Pūhoi to Wellsford Road of National Significance.

This is your opportunity to view and provide feedback on what is proposed with representatives from the NZ Transport Agency available to answer your questions.

All information presented at the public information days, including a video animation showing the Indicative Route, will be available on the NZ Transport Agency website from Saturday 18 February.

Public information days will be held on:
