Christchurch Northern Corridor QEII Drive night work

PROJECT UPDATE

27 OCTOBER 2020

NIGHT WORK AT INNES ROAD ROUNDABOUT, HILLS RD CLOSURE

The Christchurch Northern Corridor (CNC) Alliance team will be completing paving and landscaping work on the QEII Drive/Innes Road roundabout upgrade. From **Sunday night 1 November** detours will be used and the Hills Road/QEII Drive intersection will need to close.

Night work at the roundabout is planned for each night from Sunday 1 to Thursday 5 November and on Monday night 9 November. The Hills Road intersection will be closed from Monday 9 through to Thursday 12 November.

The work involves milling and paving machines, trucks and diggers. We will be milling and asphalting, installing wire rope barriers, landscaping the islands and painting the lines on the road.

Nearby residents will hear the noise from the machinery and the crew working at night. We will try to do the noisiest work early in the night.

TRAFFIC IMPACT

During the night work on 1, 2, 3 and 5 November the eastbound and westbound roundabout lane will be closed. QEII Drive eastbound traffic can drive straight through on the slip lane but cannot turn right at the roundabout to go to Innes Road. Diversions will be in place. Please follow the on-road signage and consider taking Prestons Road as an alternate.

On Wednesday 4 and Monday 9 November the slip lane to turn left onto Innes Road will be closed. Traffic from Innes Road can still enter the roundabout to head westbound on QEII Drive.

To complete the paving work at Hills Road, the intersection will be closed from 9 to 12 November.

The night work is planned from 9pm to 5am. The asphalting work is weather dependent so may take longer than planned.

REDUCED COMMUTER TRAVEL TIME

REDUCED CONGESTION

IMPROVE SAFETY

IMPROVE WALKING AND CYCLING

SUPPORT ECONOMIC GROWTH

NEW VIDEOS AVAILABLE

We have recently published a new video flying over the whole alignment. We also filmed during the gantry installation work on SH1.

WHAT YOU NEED TO KNOW

- Our standard construction work hours are Monday to Saturday between 7am and 7pm. Night work usually starts after 7pm and stops before 6am.
- There will be increased noise and vibrations associated with most of the construction work. We will do what we can to minimise this.
- Keep yourself and your children, as well as pets, at a safe distance from the work site. Please stay behind the construction fences at all times.
- All work sites are subject to weather and other unforeseen conditions. Some jobs will finish early while others may be delayed or rescheduled.

You can call us on 0800 262 200 or email us at info@cncalliance.co.nz or visit our website at **www.nzta.govt.nz/cnc** to sign up for project updates.
