SEPTEMBER 2015

LATEST NEWS

The detailed design for the Christchurch Southern Motorway Stage 2 is nearing completion and an updated map of the project is on the website.

Private land purchase is well underway and will continue into 2016.

We are planning to advertise the construction contact in early 2016 and construction, subject land purchase and funding, is likely to begin in late-2016.

The project is expected to take about 3 years to complete.
