

## Ratio of local parks to residents by local board area

Figures of local park areas and estimates of local board populations are from Auckland Council's Long-Term Plan Nov 2010 – June 2019, Volume 3: Local Boards

Local Board	Area of local parks (ha)	Residents	Hectares of local parks per 1000 residents
Great Barrier	35	820	42.68
Waiheke	305	8400	36.31
Rodney	1139	54100	21.05
Franklin	1085	64200	16.90
Upper Harbour	740	49000	15.10
Waitakere Ranges	574	49000	11.71
Papakura	285	44900	6.35
Hibiscus and Bays	546	88800	6.15
Kaipatiki	520	85900	6.05
Howick	750	128100	5.85
Manurewa	472	86600	5.45
Henderson-Massey	546	109600	4.98
Otara-Papatoetoe	337	80300	4.20
Orakei	343	81800	4.19
Puketapapa	232	56100	4.14
Mangere-Otahuhu	266	75900	3.50
Devonport-Takapuna	182	57300	3.18
Maungakiekie-Tamaki	227	73000	3.11
Whau	206	76400	2.70
Waitemata	142	70000	2.03
Albert-Eden	159	98800	1.61

The figures above include only local parks and exclude regional parks, parks containing a volcanic feature, privately owned open space (such as golf courses, some bowling clubs) and open space not administered by council, such as Department of Conservation land or Cornwall Park.
