UPPER SOUTH ISLAND TRAVEL GUIDE

Autumn/Winter 2017

State Highway 1 (SH1) is closed to all traffic travelling from Blenheim to Christchurch because of damage from the Kaikōura earthquake in November 2016.

You can travel from Picton/Blenheim to Kaikōura on the alternate route along state highways 63, 6, 65 and 7, then on Inland Road 70 - refer to maps inside.

If the GPS in your rental vehicle says you can travel to Kaikōura on SH1 from Picton or Blenheim, ignore it - the road is closed.

There are no train services between Picton and Christchurch as the railway line is also damaged and closed.

HOW TO GET FROM PICTON/BLENHEIM TO KAIKŌURA AND CHRISTCHURCH

SH1 south from Blenheim to Christchurch is closed - but you can still drive from Blenheim to Kaikōura and Christchurch on an alternate route.

Follow the orange signs on SH1 at Blenheim that point to Kaikōura and Christchurch. This will take you on the alternate route:

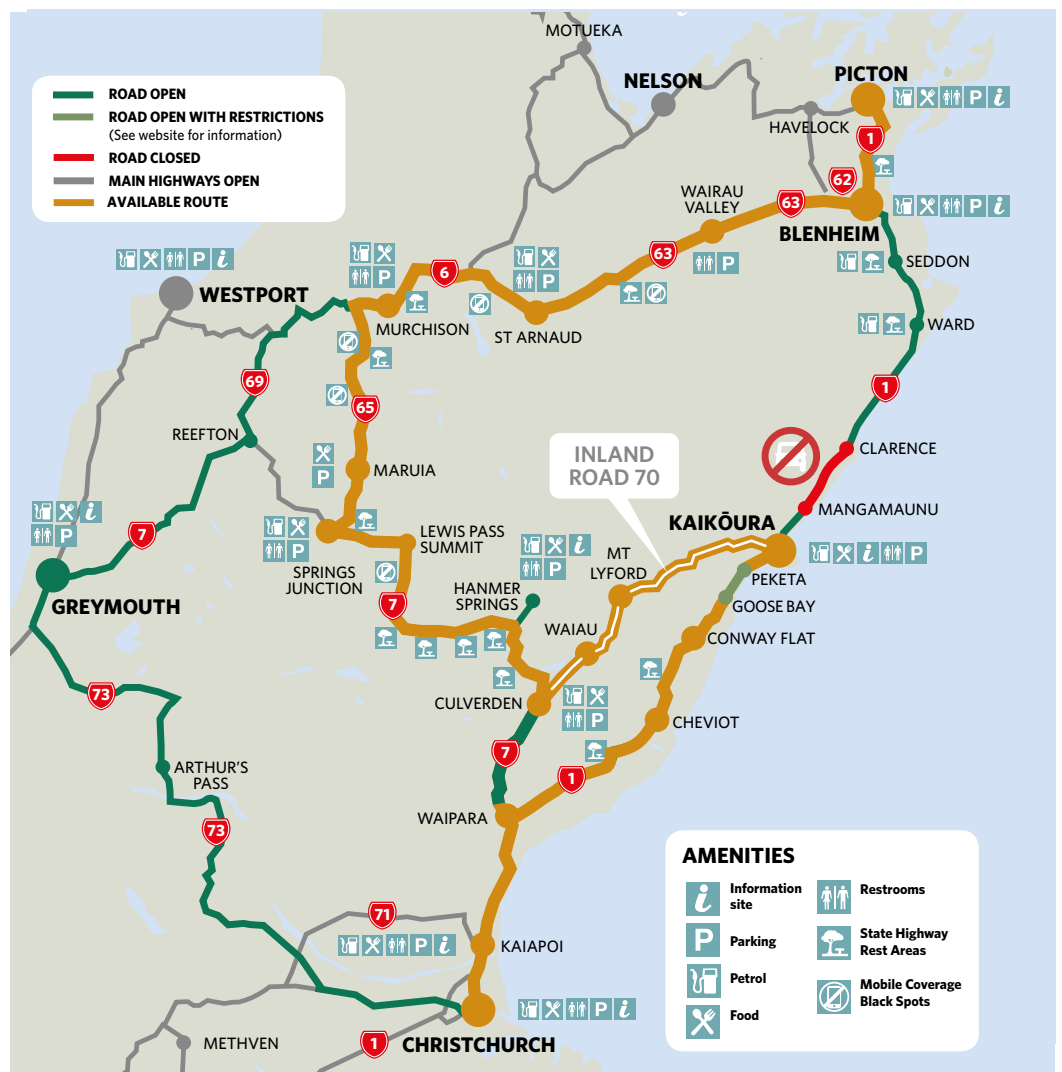

- › West on State Highway 63 through St Arnaud and on State Highway 6 to Murchison.
- › South on State Highway 6 to Maruia and Springs Junction.
- › Southeast on State Highway 7, over Lewis Pass, past the turn-off to Hanmer Springs and on to Culverden.

The trip from Blenheim to Culverden will take you about five and a half hours to drive.

At Culverden, head north on Inland Road 70 to Kaikōura. This will take another two hours.

Take plenty of breaks and be prepared for delays as there are roadworks on the route.

If travelling to Christchurch, it will take another one and half hours to get from Culverden, travelling on SH7 and joining SH1 at Waipara.

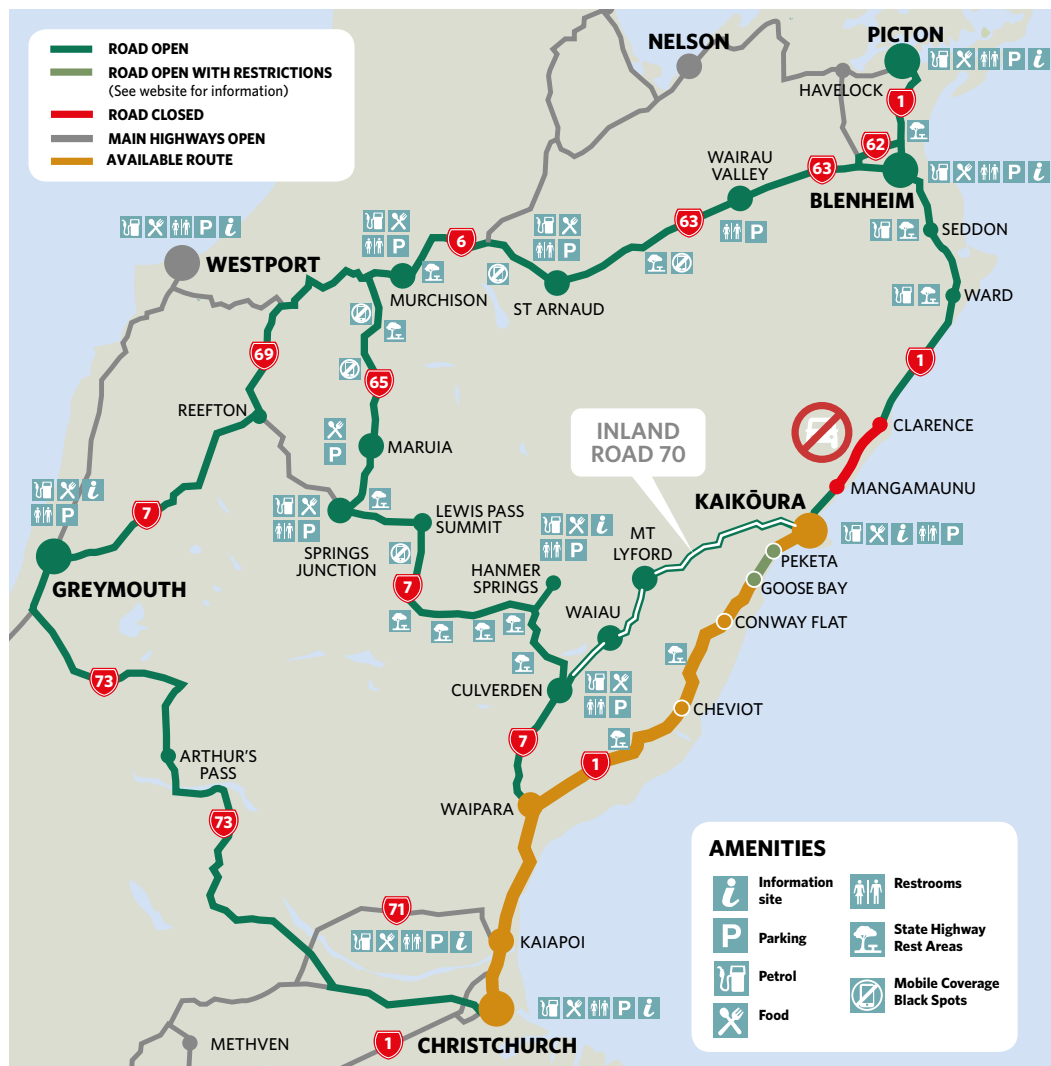

HOW TO GET FROM KAIKŌURA TO CHRISTCHURCH

SH1 from Kaikōura to Christchurch is open but only during daylight hours. This is currently from 7am to 6pm each day.

Work continues to repair and rebuild the road and railway following the earthquake. This can cause delays and closures. Allow plenty of time for your trip.

Do not rely on your GPS for road closure information relating to SH1.

OPENING HOURS

Opening hours on SH1 from Kaikōura to Christchurch will change as winter progresses.
