

Night works and detours for SH1 Sussex St round the Basin Reserve

From Sunday 17 August to Sunday 7 September 2014, we will be preparing the road for when State Highway 1 is re-routed through the underpass in October. This will involve night work on several occasions.

NIGHTTIME LANE CLOSURES, Sunday 17 August – Thursday 21 August: Two lanes on Sussex St beside the Basin Apartments will be resurfaced. Traffic can still travel on State Highway 1.

NIGHTTIME ROAD CLOSURE, 7 September: The junction of Sussex St with the Buckle St Diversion will close overnight. Vehicles can still travel round the Basin Reserve but will detour via Cambridge Tce and Adelaide Rd.

NIGHT WORKS:

Sun 17 Aug – Thurs 21 Aug	7.00pm – 6.00am Trimming – first half of the night Asphalting – second half of night	Sussex St – 2 western lanes and new road into the underpass 1 lane remains open for through-traffic on SH1
Sun 24 Aug – Thurs 28 Aug	7.00pm – 6.00am	Road through underpass Asphalting – no effect on SH traffic
Sun 7 Sept ROAD CLOSURE	7.00pm – 5.00am	Sussex St/Buckle St Diversion junction closed Installing final layer of asphalt from Sussex St through the underpass to Taranaki St. Detours in place

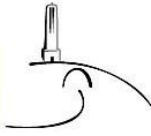

Work on Sussex St and in the underpass will be noisy at times during night works. Thank you for your patience while this work proceeds. Please note that dates may change due to bad weather or unforeseen circumstances.

Traffic management

- Access for residents and pedestrians will be maintained throughout the works.
- Electronic signs and traffic management personnel will direct vehicles.

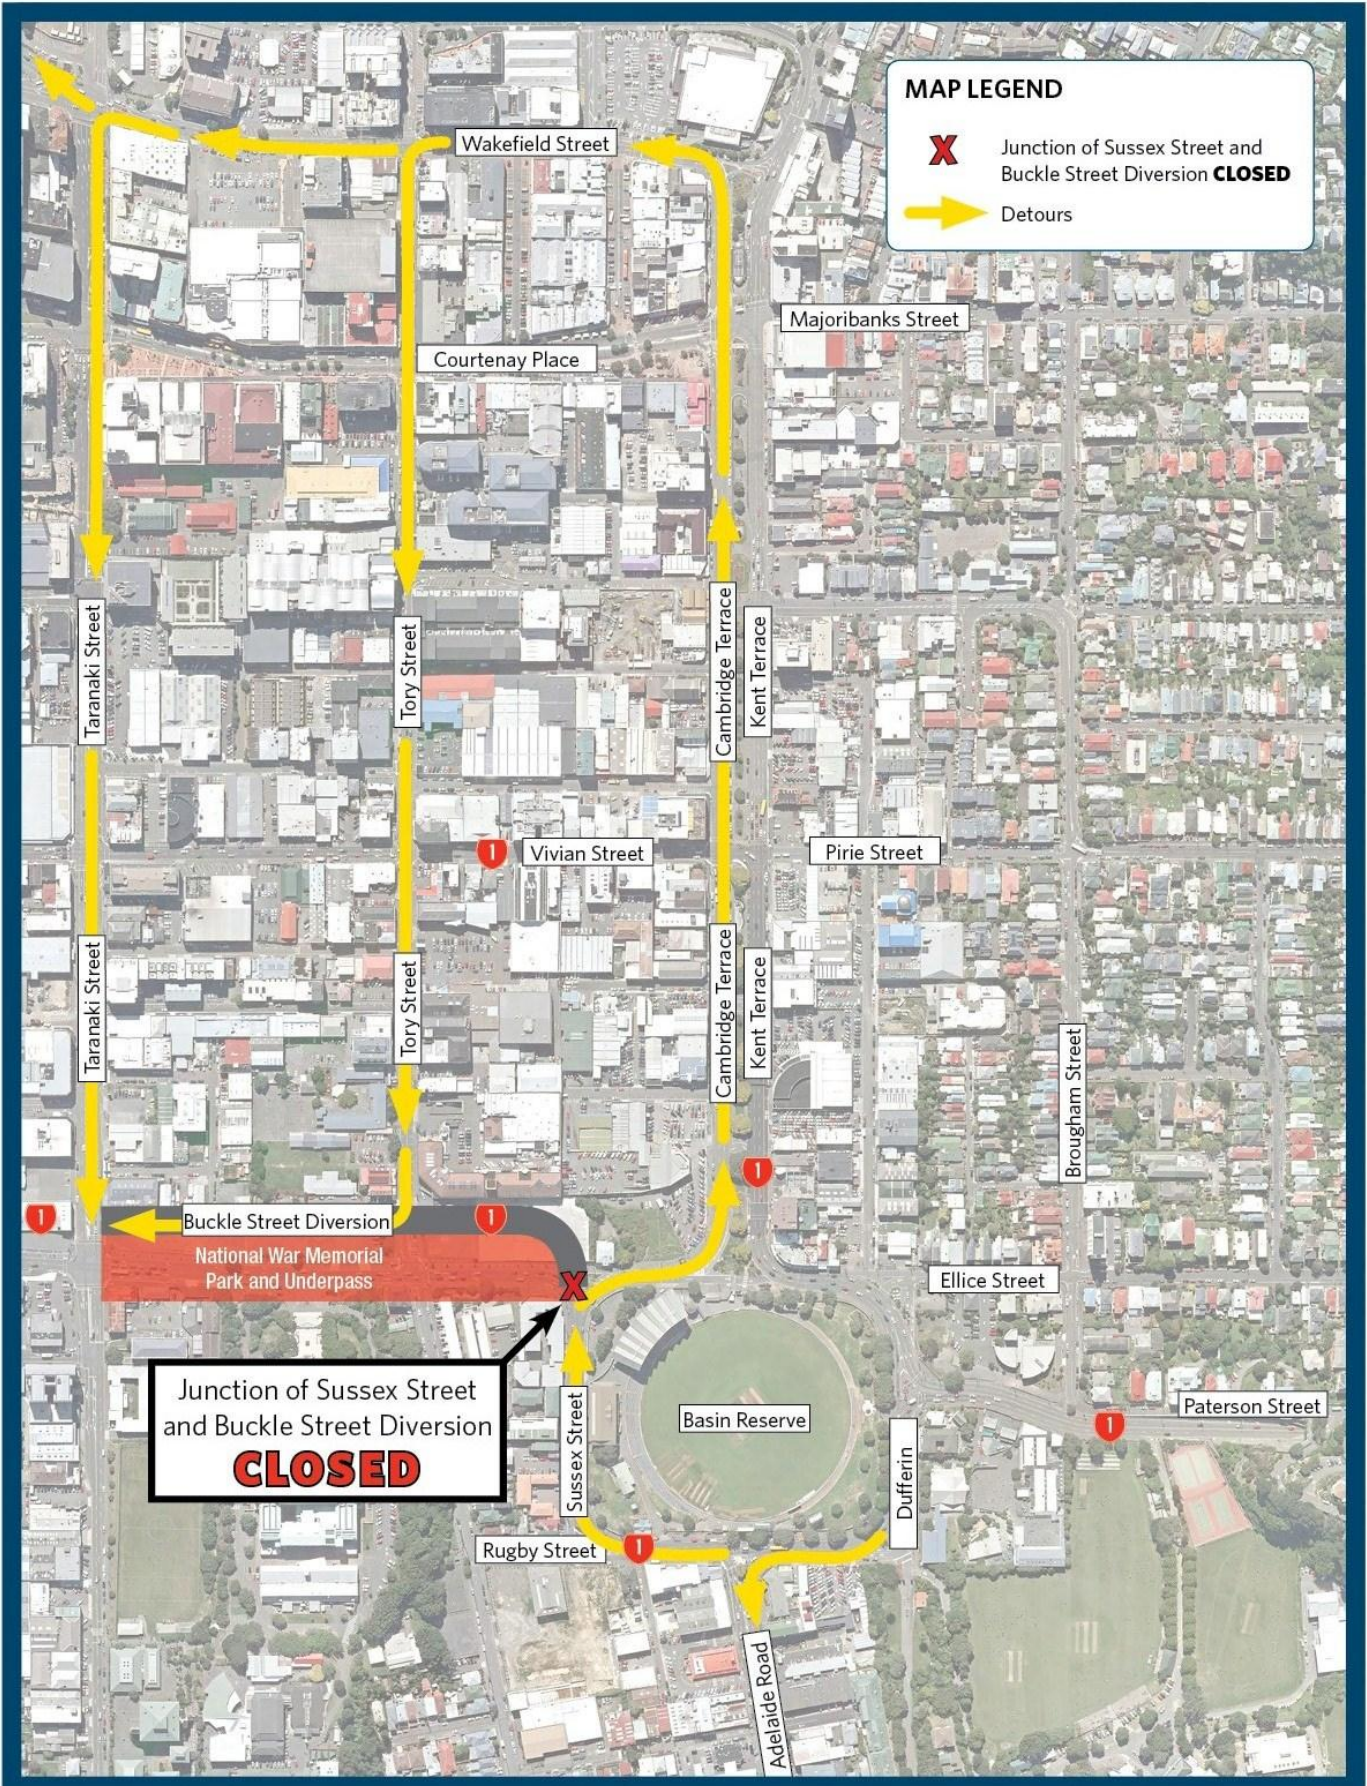

**ALL ROUTES WILL BE RESTORED FOR DAYTIME USE
 PLEASE SEE OVERLEAF FOR NIGHTTIME DETOURS**

- Please a note that a partial closure of the intersection with Taranaki St will occur at nights from Sunday 31 August to Thursday 4 September – publicised in a separate notice.

Nighttime detours
