

HAVE YOUR SAY

The NZ Transport Agency is seeking feedback on a number of transport projects in your area. We appreciate hearing your thoughts, so please come along to one of our information days.

OLD MANGERE BRIDGE

We have been developing the design and layout of the new bridge, incorporating previous community feedback on this much-loved community bridge. We would like to share the design with you.

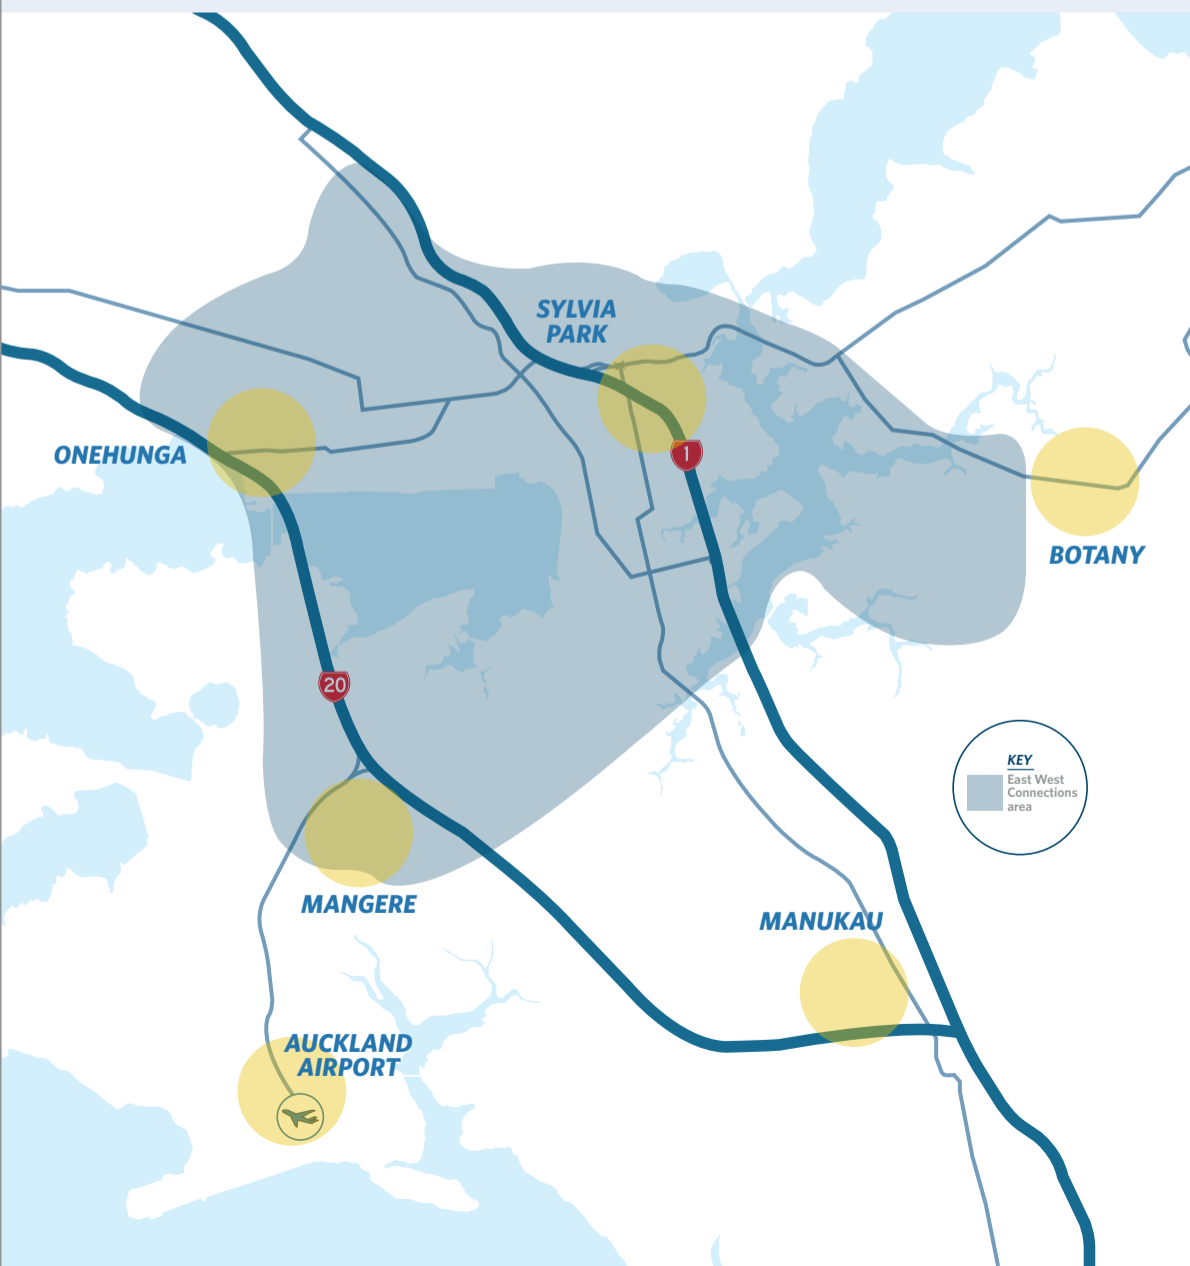

Please join us to learn more about our plans for the new bridge.

All are welcome to this free, family event with a sausage sizzle and a bouncy castle for the kids.

Saturday 26 July, 10am-4pm

EAST WEST CONNECTIONS

The East West Connections area is home to numerous vibrant communities and is at the heart of the country's freight distribution network. Increasing freight volumes and the anticipated economic and population growth in the area will put pressure on the transport network.

As someone who lives and works in this area you use the transport network regularly. The NZ Transport Agency and Auckland Transport would like your feedback on transport network in the area.

Thursday 24 July, 6-10pm
