

RUSSLEY ROAD UPGRADE - NIGHT TIME DETOURS

Traffic is flowing over Christchurch's new Memorial Avenue Gateway Bridge but there is still work to be done to complete the entire Russley Road Upgrade.

Night time road closures and detours will be in place over the next few weeks from Saturday November 25, as the construction team lay the final surfacing and carry out other works to finish the project.

During the works there will be no right or left hand turn off State Highway 1 Russley Road onto Memorial Avenue or from Memorial Avenue onto the highway. Follow the detour signs and allow an extra five minutes travel time.

People will continue to be able to use the new Memorial Avenue Gateway Bridge and travel along Memorial Avenue to and from Christchurch International Airport during the works.
