

SH75 Halswell Road Improvements

What	We'll be installing a left in, left out only layout
Where	Hendersons Road/Halswell Road intersection
When	From Monday 18 November 2024

What are we doing?

From Monday 18 November, right turns from Halswell Road onto Hendersons Road and vice versa will be removed with the installation of traffic management barriers.

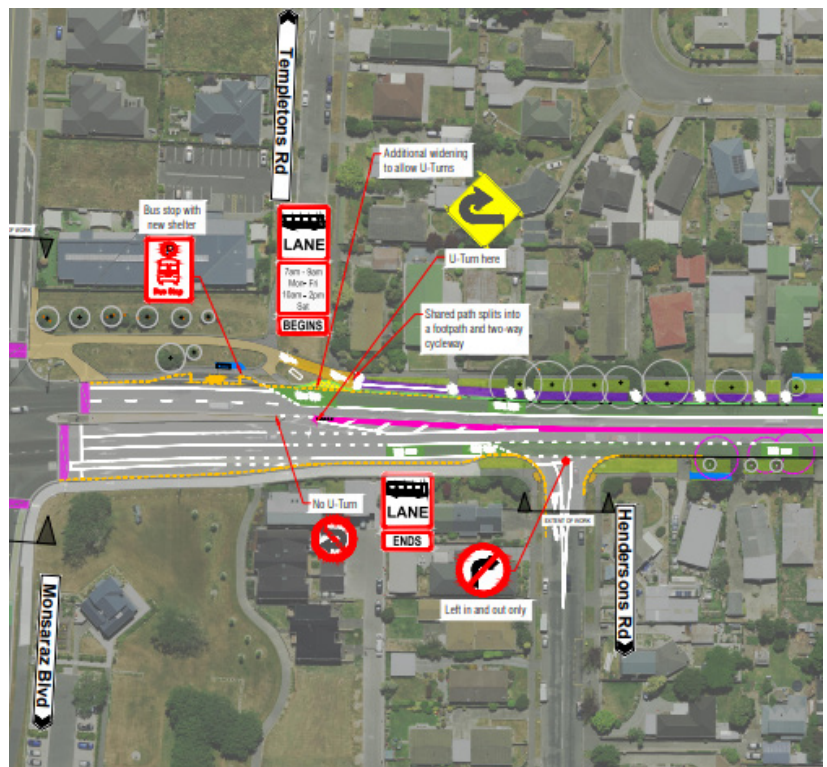

This turning restriction is part of the final design, when the raised central median island will be installed in this area, as shown in the plan below.

Traffic impacts - left in, left out only

There will be no right turns from Halswell Road onto Hendersons Road, and vice versa from Monday 18 November.

Please use the signposted routes via Monsaraz Boulevard; these will be in place for about two weeks while people get used to this change.

The final layout will be a raised central median island which will improve safety by removing right-turns which will reduce the risk of crashes when drivers exit driveways and side streets.

We're sorry for any disruption and thank you for your patience.

CAN WE HELP?
