After the agent has receipted this form, you'll need to provide this receipt to the alcohol interlock installer or provider. Please note: if you need to sit any tests to get your licence back, the subsidy will NOT pay for your test fees. Read *Alcohol interlocks* (Factsheet 58) for more information.

Where to apply

Take your completed form and all **original** documents to any driver licensing agent. To find your closest agent go to www.nzta.govt.nz/agent

A customer services representative will process your application, check your identification, take your photograph* and a sample signature for your licence. They'll also check your eyesight and arrange an appointment for any theory or driving tests.

You must pay the fee when you make your application.

*When your photo is taken you can't wear sunglasses, a hat, head coverings or anything else that might obscure your face or prevent the photo from being a good likeness. You can wear the item for religious or medical reasons if you supply a signed statement confirming this, and wearing the item doesn't prevent the photo from being a good likeness.

Tests

Information to help you prepare for and pass the tests is available in Factsheet 45 (for car drivers), Factsheet 28 (for motorcyclists) and in *The official New Zealand road code*. These are available online at www.nzta.govt.nz/factsheets and www.nzta.govt.nz/roadcode

If you normally wear glasses or contact lenses to drive, make sure you bring them with you to the test.

Make sure you bring the right ID to the test. For more information go to www.nzta.govt.nz/test-ID

You may be able to sit your theory test in a language other than English. For more information go to www.nzta.govt.nz/theory-test

Practical tests are conducted in English. If you have difficulty speaking or understanding English you can bring an interpreter.

The testing officer may attach a small video camera to the front windscreen at the beginning of your practical test. The camera records the test and enables the testing officer's performance to be audited. It also assists in investigating complaints where the test result is disputed. If you don't wish for your test to be recorded, please let the testing officer know.

Changing or cancelling

If you need to change or cancel your *theory* test, please visit an agent as soon as possible.

If you need to change or cancel your *practical* test, you can do this at www.nzta.govt.nz/online

There are no fees to change or cancel your test.

Eyesight

You must prove that your eyesight is up to standard. You can:

- pass an eyesight screening check at a driver licensing agent, or
- present a satisfactory eyesight certificate or medical certificate (no more than 60 days old).

The certificate must be issued by a New Zealand registered optometrist or health practitioner. If you don't pass the eyesight check at an agent, you'll need to provide a certificate instead.

If you have sight in only one eye, or have only one eye (monocular vision) you'll need to present an eyesight certificate.

This includes application updates, asking for feedback, reminders and formal notices. For a full list of how we might use your email go to www.nzta.govt.nz/email-use or ask the agent.
