
Part 8 of the Traffic Control Devices Manual (TCD Manual)

Code of Practice for Temporary Traffic Management (CoPTTM)

(CoPTTM) - (SP/M/010)

Fourth Edition – Amendments April 2017

Prepared by:	Stuart Fraser for National Traffic and Safety Manager
Date of issue:	April 2017

There have been several changes to the CoPTTM pages of the NZTA website since February 2017. These changes are outlined below.

Change / addition	Date	Comments
Section I-19 Register of new TTM equipment	April 2017	Register of new TTM equipment which is approved for use on NZ roading network.
Technical note for speed humps	April 2017	The register of approved speed humps has been removed from the technical notes section and added to the register of new TTM equipment.
