

## New covers for CoPTTM

NZTA is updating the photos on the covers for the printed version of CoPTTM.

We know the best photographs will come from people who are working on the roads, so we are holding a competition for the best photo for each category listed below. If your photo is selected, you will receive credit with your name on the cover and NZTA will also provide you with a framed copy of the cover.

We have included an idea of what the photo for each category could include, but are open to other ideas as well.

**Note:** All photos must be compliant with CoPTTM.

The sections that we need photos for are listed below:
